We are an appreciated service provider, offering exclusive Event Management Services. Our services are known for proper planning, reliability and timely execution, ensuring the success of event that your guests will love.

About Us

Established in the year **2009**, '**Helping Hand Event Company**' is one of the leading business entities offering **Event Management Services**. Our sole proprietorship has knack of understanding of the events and hence our solutions are at par with international standards. Our organization adheres to ethical business standards and maintains integrity in event project undertaken.

We have pool of resources available that enable us to offer our customers all kinds of exclusive solutions for the events. Depending on the nature of event, a concept is devised, costing is calculated and required customization is done. Hence, on the day of the event, we are well prepared with all kinds of contingency plans and backups. The entire concept development is done once our professionals study the profile of the customers in detail. This ensures the successful execution of services as per the varied requirements of our clients.

Our mentor, '**Mr. Jameel Awati**' has vast experience in the field of event management. His vast networks enable us to outsource various physical requirements. He remains involved in every event and makes his valuable contribution.
