

Mitsuba Electricals

<https://www.indiamart.com/hemkunt-inds/>

Manufacturer of quality revolving lights, bar lights, electrical horns, air pressure horns and wiper motors for automobile industry.

About Us

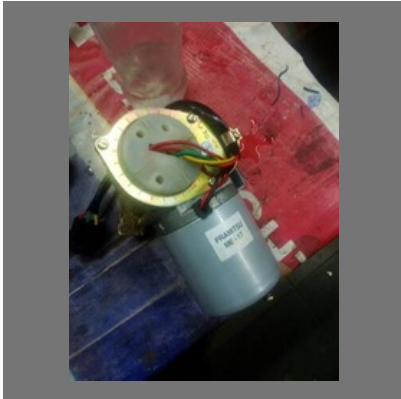

The company operates with some simple concepts in mind. First and foremost, take care of the customer. We make sure each and every customer's needs are met instead of expecting them to conform to what we supply. We operate at ultimate efficiency and are able to offer a feature set beyond any other system you will find on the market. Because of its state of art technology, the best in class quality, improved production and ever-growing know-how, we today are able to make its stand in the international markets as well.
