About Us

We Providing catering services Starters can be included in the package or can be opted to be served and charged on consumption. Right in the middle of the chaos in Whitefield is this serene farm that hosts this restaurant. The restaurant is a converted old bungalow with seeing both inside and outside in the garden area. It has a old Bangalore feel. The staff here us very friendly and attentive. Food is also good. A tad bit on the higher side, but were glad to pay for giving us the respite from the chaos and giving us a feel of old Bangalore. The food is exquisite and the ambience if good too! Had a good overall experience! !Had ordered olive chicken and chicken chettinad which was very well prepared. Lovely ambience. We celebrated a friend's birthday at this place. They have converted a bungalow into restaurant. I tried few starters here and food is good. Do try ravioli. One of place of fine dining in whitefield.
