About Us

The company was started and established in the year 2005 by Dr. (Mrs.) Daksha Thakkar, M.B.B.S, who embarked upon the enterprising spectrum with products & equipment solutions in the offing, recognising the paramount importance of health and to help make life easier with these specialised medical products. We, at Heritage Healthcare, import these state-of-the-art, higher quality performance products & equipments from a well known UK based ISO 9001-2008 certified company, Patterson-Medical. They being a member of British HealthCare Trade Association (BHTA), are committed and dedicated to constantly strive and find new ways to increase speed and efficiency based on customers’ needs and requests, with futuristic services and solutions. We have evolved in the spectrum, importing trendsetting products with cutting edge technology to meet the most crucial demands of our clients.
