## About Us

Heval River Cottage & Rafting Camp is a new venture heralded in the hospitality trade in Rishikesh, in the state of Uttarakhand often referred to as Dev Bhoomi - Meaning Abode of Gods. Blessed by panoramic scenic beauty, enchanting greenery and gurgling water bodies the state has carved a large slice of the tourism pie of Northern India. Rishikesh, the tiny city is strategically located and serves as the gateway to all tourism and spiritual activities in destinations in the higher altitudes. It can more aptly be called the Base Station rather than gateway.

Heval River Cottage & Rafting Camp was conceptualized to cater for the international tourists as well as the enthused back packer from around the nation. You shall look forward to a mesmerizing vacation in the lap of nature without burning a hole in your wallet.
