

Himanshu Electronics & Electricals

<https://www.indiamart.com/himanshuelectronicselectricals/>

Owing to perfection and quality oriented approach, we have carved niche in the industry by Manufacturing an enhanced quality Emergency Light Bar, etc. These products are demanded for their long life and high brightness.

About Us

Incepted in the year **2007**, in **Faridabad (Haryana, India)**, we “**Himanshu Electronics & Electricals**” are the noteworthy **manufacturer** of optimum grade **Police Light Bar, Ambulance Light Bar, LED Halogen Revolving Light, Siren Speakers and much more**. The offered products are manufactured by making use of optimum grade components with the help of ultra-modern techniques in compliance with set electric industry norms. Our offered products are widely used in houses, malls, hospitals, offices and other such places for lighting, safety and audio purpose. Moreover, these products are checked for their quality on series of quality parameters before being supplied to our clients. Our offered products are made available in different specifications for our clients to choose from. These products are widely appreciated by our clients for their enormous features such as light weight, easy to install, low maintenance, long life, excellent brightness, durability and low heat emission.

While climbing on the success ladder, it has become important for us to manufacture the high quality products. For this, we have setup a wide infrastructure unit that is equipped with high-tech manufacturing techniques and facilities. We have segregated this unit into various functional departments such as manufacturing, engineering, quality testing, warehousing, packaging, sales & marketing, R & D, etc. All these departments are supervised...
