<https://www.indiamart.com/hindagencies/>

We are a prominent manufacturer, exporter, service provider & trader of a wide range of Industrial Tools and Equipments. These are widely appreciated in the market for their sturdy construction, resistance to corrosion.

About Us

Our organization established in **1965**, **Hind Agencies** is one of the leading **manufacturer, exporter, service provider & trader** of **Industrial Tools and Equipments**. Our product range includes **Professional Cutting and Drilling Tools, Cutting Tool and Equipment, High Speed Steel Cutter** and **Many more**. These are made using premium quality raw material at the vendors end. Owing to their remarkable features like high tensile strength, durability, resistance to corrosion, high performance and heat resistance, our products are widely demanded in the market. We are a client centric organization and we divert all our efforts towards achieving maximum client satisfaction and attaining their loyalty. We provide with timely delivery of the consignments of our clients for which we have linked ourselves to some of the best logistics in the industry.

Our quality analysts test our procured products on various parameters to ensure their flawlessness and adherence to the set industry standards and norms. Our professionals work in sync with one another to maintain a smooth flow of all the business activities that take place in our premises. Owing to the capacious warehouse of our organization we have been able to accept the bulk orders of our clients. Moreover, our warehouse is divided into different sections that helps our warehouse staff to easily store and retrieve the stored products. **We are majorly looking for queries from...**
