Established in the year of 1978, Hindustan Handicrafts is the leading **manufacturer** and **exporter** of **Wooden Sofa**, **Wooden Dinning Table Set**, **Wooden Bed** and much more.

## About Us

**Established in the year of 1978, Hindustan Handicrafts** is the leading **manufacturer** and **exporter** of **Wooden Sofa, Wooden Dinning Table Set, Wooden Bed** and much more. We have also been providing customization in our products to customers in India and abroad, which is as per their specifications. With the in-depth expertise of our team of professionals and our upgraded infrastructure, we have been able to offer a variety of items with unparalleled quality. For durability, finish and appealing products, we have made a mark in the international market and have earned a trusted name. Also, we have acquired a wide client base that completely relies on us.

We are led by **Mr. Umar Khan**, who has extensive experience and in-depth knowledge of this industry. Our efforts have successfully resulted in meeting with the varied demands of our clients in every possible manner. Through our constant efforts, we are able to exceed the expectations of our customers in all our business operations. We are thus able to bring continuous improvements in our products, become more approachable and popular.
