## About Us

Hiranand Overseas is powered by years of experience in the field of Manufacturing, trading & Exports of Spices, Pulses, Grains, Foodstuff & General Products. We have experience of seventy five years in manufacturing and trading of authentic food. We are closely related to farmers who source us the best food material for further processing and packaging. Modern equipment and technology which we employ at Processing Plants enables us to offer various specifications desired by buyers. With personal supervision at all stages we are able to control Quality, Schedules, Costs and achieve consistency in standards towards entire satisfaction of our buyers. At Hiranand quality is the key of success, we deliver the best quality products at most competitive prices. We can also offer customized packaging as per clients requirements. We are specialist in Kolhapuri Jaggery. We are leading manufacturer and trader of Jaggery in national market. Considering Jaggery we have significant presence in International market. It is our vision, knowledge, experience and ethics which always give a fulfillment and dreaming experience to our esteemed clients.
