About Us

Our organization, '**H. K. Sonara & Co.**', was established as a **Sole Proprietorship Firm** in the year **2008**. We are engaged in Wholesaling, Trading and Exporting a variegated line of **entire range of Refractory Products, Industrial Minerals & Chemicals and Electricals Equipments (Insulators)**. We also provides **Industrial Liaison Services** for the single window clearances of New project setup with **Lease Licences, Sanctions, Clearances, Approvals, Permissions and Pendencies for the Industries from Government and Non Government Body /Authorites**. With the dedicated efforts and tremendous zeal of our employees and management, we have been successful in catalyzing our development and growth. Our professionals help us in implementing the new business strategies. These strategies are formulated by the management for procuring qualitative products and conducting effective marketing. We have developed a capacious warehouse in one of the prime locations of the city, which enables us to keep a stock of the products and efficiently supply bulk and immediate orders. Clients acknowledge us for keeping their preferences in mind, while preparing the orders. Once the consignments are properly packed, we dispatch these through various media. Our clients operate in steel, cement, foundries and various other industries, all across the globe. Under the guidance of our mentor, '**Mr. Hasmukh Sonara**', we have not only achieved industry...
