About Us

HMB was founded in October, 2006 Since then we have retained the top position as a distributor and retailer for computers, laptops, desktops, tablets, smart phones, cell phones and accessories. As a natural vertical we have also ventured in the field of LCD and LED televisions, Air-conditioners and security systems. As a testimony of our exceptional prowess many companies have entrusted us the responsibility of sales, distribution and services of their products. Operating a well-equipped service station serving its customers for their Computers, Networking and Printers related problems.
