About Us

HNH Globals Private Limited was established in the year of 2013. We are leading Manufacturer and Suppliers of Burner Range, Refrigeration Equipment, Bakery Equipment etc. This makes it to produce the best by technological innovations. HNH has a well-trained team of technicians to produce quality equipment, under the supervision of seniors, who are trained in the kitchen equipment fabrication system. Thus it is possible to bring in the latest trend in designing and fabrication of equipment. The reliability of equipment is designed as per the Indian environment & usage.
