**H'n'V** is aimed at companies who need good PR but don't want to retain a PR company full time. We provide the services of experienced PR specialists and writers and can develop good relations with the press for your company.

## About Us

H'n'V Communications PR Department Leverages Strong & Long-Standing Relationship to Reach Any Target.

- We provide the services of experienced PR specialist and writers and can develop good relations with the press for your company.
- Use us as an additional resource for the events (Press launches, exhibitions etc.) With H'n'V you will get the services of experienced PR professional who will take care of your media requirements.
- Liaising with media, we can develop good relationship for your company, organizing, and writing the press releases, case studies and technical articles.
- The result will be seen in terms of building brand image through awareness along with the goodwill of the company.

Firms and individuals should hire a public relations agency when they want to protect, enhance or build their reputations through the media. At H'n'V, we can analyze the individual or organization, find the positive messages and translate those messages into positive media stories. When the news is bad, a PR can formulate the best response and mitigate the damage. Many PR pros at H'n'V are former journalists, so they know the best ways to pitch a story and to reach editors and reporters, they can give an honest, outsider view of the firm and the potential for what story ideas will work.
