About Us

God's own country Kerala is one of the most sought after tourist destinations in Asia. An enchanting land blessed with tranquil emerald backwaters, serene palm fringed beaches, cascading waterfalls, majestic lush hills with glistening brooks and exotic wildlife. Be it the natural landscape or the verdant stretches of lush green paddy fields or the rejuvenating fragrance of tea and coffee plantations here everything is a virtual treat for the eye. A unique advantage of Kerala is that most of the destinations here are just two to four hour drive from the other. Kerala is also known for its world famous ayurvedic health treatments, enchanting art forms, magical festivals, historical monuments, and last but not the least, a divine cuisine.
