About Us

Holistic Healthcare centre is founded by group of healthcare professionals in the year 2005 for providing Healthcare solutions in a cost effective and Holistic approach for the patients suffering with chronic diseases. Our centre is affiliated with various speciality Hospitals & Doctors throughout India providing referral services for the patients to reach their respective disease speciality centres for best Medical solutions in time. Our Research centre is directed towards bringing out the safest and best therapeutic remedies for diseases like Cancer, Obesity, Thyroid problems, Cardiovascular problems, Neurological disorders and Pain management. We provide Healthcare education awareness programmes for maintenance of Health and prevention of chronic diseases.
