We are industry leading Manufacturer and Supplier entity underpinning our reputation by offering best in class Commercial Furniture and Designer Services.

About Us

Established in **1992**, **Home Furniture** has grown from a promising business entity into the top Manufacturer and Supplier firm of Commercial Furniture and Designer Services. Following a number of successful industrial acquisitions, today we have a broad product portfolio comprising of Visitor Chair, Revolving Chair, and Theater Chair. The biggest key point behind our increasing revenues is the quality construction, latest designs and superior comfort levels of our offered furniture. Apart from this, our furniture specialists are also instrumental in offering designer services for wide number of offices and institutions, which help us to become the dominant player in the industry.

We operate a comprehensive manufacturing activity, which ensures that quality furniture is made and delivered to our prestigious clients within the agreed time frame. Moreover, our dedicated R&D department and advanced infrastructure equips us to hold an enviable position in the market. Our reputation of unrivalled furniture designers and trusted manufacturers has been built up over 19 years serving the furniture industry. Apart from this, owing to the allied support of industry leading vendors and logistics companies, we ensure efficient and intact delivery to any location in the country.

With rich industrial experience and a keen eye towards latest furniture trends, our leader **Mr. Shozab Rizvi** earned us an impressive position. His ambitious efforts...
