About Us

Hospital Amritdhara, running for the last 52 years (renamed 12 years back and totally renovated in 2010), is now a 100 bedded hospital. It is the largest private hospital of the district, and is one of the best planned and best equipped hospitals, having modern facilities for excellent patient care and administration. The hospital is providing services in most specialties (outdoor as well as indoor). Our staff and doctors are not only well qualified but also most patient friendly and believe in practicing modern medicine with a very humane heart. True 24 hours emergency services are available.
