## About Us

Built at the heart of enchanting historic Fort Cochin across from the famous St. Francis Church, Hotel Arches distills and blends the essence of our European heritage and cosmopolitan temperament. The hotel's beautifully detailed colonial architecture welcomes you into a cool respite of tile floors and wooden ceilings. Arches have ten deluxe rooms and one suite-Nidra. Come enjoy the warmth of our traditional furnishings, handcrafted by local master cabinetmakers. Each room has a well-appointed modern bath and air conditioning for your comfort.

Stay in touch at our modern business center with internet access.

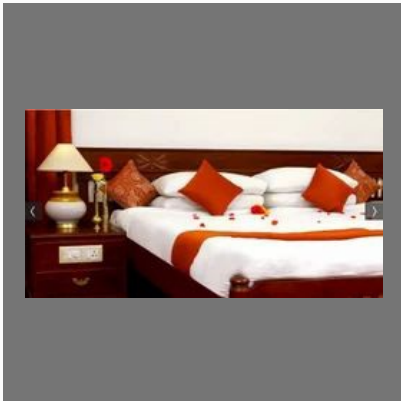

Open Room- our roof top restaurant has quite a panoramic view. Take in the charming tree top vista of the settlement's roofs and spires under traditional tiled entertainment space. Enjoy the fine cuisine, a fusion of east and west along with classical performances. Be assured that hotel staff and management will do their utmost to make your stay both pleasant and convenient during your visit in our community.
