About Us

Hotel Highland Inn is situated at middle place of the city Ludhiana in the state of Punjab, Incorporated on 2012.

A Bright Mission

- The well-being of our hotel staff, whose happiness and self-worth is of utmost importance to us.
- The delight of our customers, whose safety, security and sense of well-being and care is our main reason for being.
- cost-effective quality service provider and thereby offer the greatest value, which our customers have every right to expect

A distinctive feature of our hotel is our highly motivated and well trained staff who provide exceptionally attentive, personalised and warm service. In this hotel a very modern Gym named Highland Fitness Point is also established.

Our hotel has created a revolution in the world of Indian hospitality. The concept was developed in association with renowned corporate strategy thinker, Mr. Harish Dhand, The Managing Director of Dhand Group.

The Hotel Highland Inn are built around a unique concept that provides facilities to meet the key needs of today's traveller, at surprisingly affordable rates.

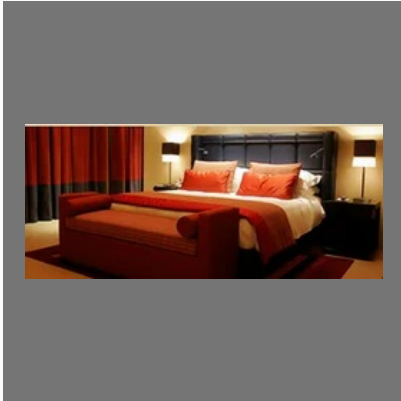

The primary objective behind...
