About Us

Welcome to Hotel Tibet, in the heart of town-where traditional hospitality is an experience and comfort is real.

As aficionados of nature and trekkers began to sneak in it gave impetus to tourism and hospitality industry. Our humble beginning coincided at that time, but shortly with the glittering ceremony on 22nd december, 1981 in the presence of the then H. E Governor and Chief Minister of Sikkim, our formal foundation ensued in the name and style of Hotel Tibet. As years rolled on we found ourselves stealing the march as feathers gets donned on our cap which seemed to speak volume that we could be what we visioned.

Today, amongst the many contemporary hospitality services, to meet the needs of discerning guests, and buoyed up by our resilience coupled with our eclectic approach in innovative service stood in good stead to be in tune with cosmopolitan milieu.
