About Us

Established in the year 1988, **HP Industries** is engaged in the manufacturing and supplying of **Stereo USB Amplifiers, Voltage Stabilizers/Transformers, Audio/Video Cabinets** and others. We offer products, which are patented under our trademark. An **ISO 9001:2008 certified** organization, we also undertake fabrication work for power presses and wood. Adhering to the industry guidelines, we offer highest quality products, which are customized as per the clients' requirements. The customer centric approach and marketing strategies have been a big support in gaining the trust of our clients. Our clients praise our organization for the quality of the range that we offer. We supply our products well in time, with the help of our wide distribution network.

Our organization has successfully spent more than twenty years in the business, under the able guidance of our mentor, **Mr. Hardev Singh**. With his elaborate experience of 26 years, he has always guided us through the smooth and tough phases of business. We have nurtured utmost client satisfaction under his teachings.
