In the current era of advanced programming needs, there must be a sufficient amount of professionals who can feel out the requirements of a technical master.

About Us

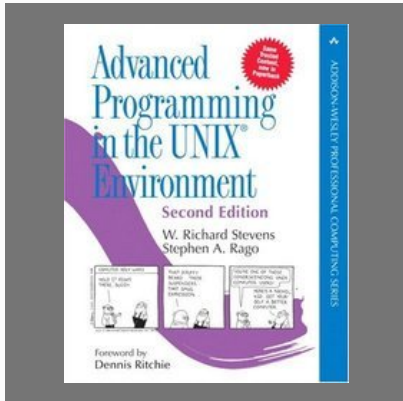

In the current era of advanced programming needs, there must be a sufficient amount of professionals who can feel out the requirements of a technical master. Long time ago, there were only few programming languages as compared to current scenario. Also, to provide better software and web solutions, was also important. Founded by Mr Hemal Rathod, himself a technology and programming enthusiast, started a combination of COACHING and DEVELOPMENT center here in BHAVNAGAR, GUJARAT, INDIA as **HR SOFTWARES**. HR SOFTWARES deals in the field of SOFTWARE DEVELOPEMENT, WEBSITE DEVELOPMENT, ADVANCED PROGRAMMING COACHING. Our main motto is to give advanced training to the students in the field of **HTML5, CSS3, JQUERY, AJAX, MSSQL, MYSQL, PHP, JAVA, ASP.NET, VB.NET, C#.NET**. We strongly encourage students to "LEARN WHILE PLAY" with the code. Also we provide them with advanced and enriched practical examples with PROFESSIONAL level project at the final stage. We also work as a software development and web development company. We deal in different types of sectors , mainly accounting, hospital management, diamond industry. We look forward to serve our customers and students better with advanced coaching and software solutions. Till then, keep coding with HR SOFTWARES.
