About Us

The Group is comprised of 169 companies with 67 manufacturing and 102 assembly plants and marketing organizations in more than 100 countries. Hunter Douglas employs about 21,000 people worldwide. Major operational centers in Asia, Australia, Europe, Latin America and North America give Hunter Douglas an unmatched worldwide presence. Subsidiaries in nearly 90 countries around the world let us remain flexible in adapting products to meet local requirements. Our tradition of bringing breakthrough products to the market makes us the company of choice for an array of contract applications, including innovative systems for window coverings, acoustical and metal ceilings and solar controls. We are continually seeking, testing, and developing new concepts that will enable us to meet ever-more-demanding standards of performance. The Hunter Douglas portfolio includes thousands of high-profile projects around the world, from retail corporate and commercial facilities; to major transit centers and public spaces; to hospitality, health care, and educational/governmental building. Major operational centers in Asia, Australia, Europe, Latin America, and North America give Hunter Douglas an unmatched worldwide presence. Subsidiaries around the world let us deliver products globally while adapting them to meet local requirements. Hunter Douglas India has its headquarters in Mumbai and regional offices across India.
