Since our inception in 1959, our company's reputation for excellence and integrity is one of our most prized assets in the field of transmission line hardware & accessories for Insulator, Conductor, Ground Wire, AB Cable & OPGW as well as ...

## About Us

Since our inception in 1959, our company's reputation for excellence and integrity is one of our most prized assets in the field of transmission line hardware & accessories for Insulator, Conductor, Ground Wire, AB Cable & OPGW as well as Clamps, Connectors and other Sub-Station Hardware. We have earned this reputation by adhering to the highest standards of business conduct, which includes not only complying with applicable laws and regulations but also continuously striving to set the standard for corporate governance in our industry. Integrity is one of our most important attributes.

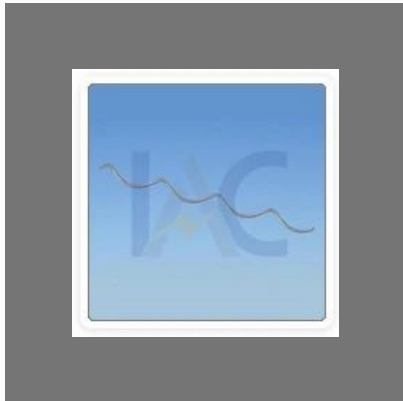

We are committed to maintained our record of strong corporate governance and will continue to seek to improve upon our solid foundation.
