About Us

Ican was founded and started operations in early 2009 and has rapidly grown into a vibrant diversified company with a staff strength of over five hundred professionals spread across multiple locations. Ican has attained and maintains positions of leadership in its chosen businesses. We firmly believe that irrespective of the industry, organizations that are proficient in acquiring, servicing and retaining the right customers excel in the long run. Managing customer relationships, fostering improvement and adding value to them is how ICAN enables organizations worldwide to constantly improve their business performance. The growth of Ican is spurred by the spirit of the individuals who across levels to keep ahead of the rest, and constantly rise to the challenges that our businesses throw at them. We have a team of highly motivated and competent professionals that propel us to deliver the best possible work products to our clients. Ican's principal Global Operations Hub is in Navi Mumbai in India. Ican occupies a physically walled and state of the art data secured facility with multiple redundancies in place. Many of Ican's diverse businesses are operated and delivered from this location. Ican is an entrepreneurial venture and in turn promotes the same spirit of taking ownership and being accountable in its people. We are proud of attracting, retaining and growing some of the best talent across levels in our businesses. This along with our robust processes and abilities with...
