About Us

Kdrsoft Technologies is Delhi-based IT Company delivering high quality, cost effective, reliable result-oriented web, Windows and e-commerce solutions on time for a global clientele.

Professionalism, Skill and Expertise are the tools we use to make the web work for your business bringing in maximum return on your investment in shortest possible time.

We have delivered on IT projects of varying complexities for our very demanding and Internet savvy clients spread across the globe. We develop unique web and windows solutions which ensure increased efficiency and competitive advantage for your business and thus to your end users.

We specialize in web design & development, windows application, search engine optimization and web marketing, eCommerce, multimedia solutions, content writing, graphic and logo design. We build web solutions, which evolve with the changing needs of your business.

We have a highly capable team of web consultants, creative designers, content writers, programmers and web marketing professionals who know how to deliver results. We treat each of our clients individually and therefore we do not offer set prices on any service.

While we have competency and skills at par with the best in the world, following four are the core highlights of **Kdrsoft Technologies**, which constitutes **Kdrsoft Technologies** Advantage.
