Providing construction services, house construction services etc.

## About Us

**IDEA add** provides the professional exhibition stall designing in **Mumbai**, image display, booth construction in **India** and abroad and so on; as well as other graphic design. Our company has **experienced** and professional staff specializing in booth designing and construction. We'll focus on getting your company booth noticed at the trade show and increase your qualified leads. And we help our customers with advertising creativity, **media integration**, and **comprehensive** brand management and promotion in the exhibition industry.

Exhibitions bring your brand to life in three **dimensions**, creating a truly engaging environment and generating efficient **face-to-face** contact. **Established in the year, 1998, IDEA add “Design House”** is a sole proprietorship concern engaged in providing exhibition stall designing in Mumbai, India, stall fabrication. Catering to the requirements of the event management industry, our spectrum of services is in line with industry standards. Our services are widely appreciated by our clients owing to their cost effectiveness, timely execution and technical accuracy. The able guidance and constant support of our mentor, we have been able to carve a niche for ourselves in the market. With his rich experience and high knowledge we have been able to offer excellent and efficient services in the said domain with utmost...
