About Us

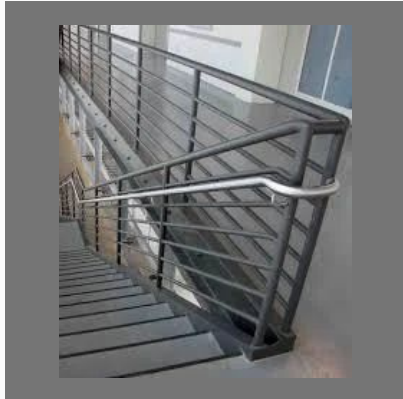

Our company Ideal Steel was established in the year 2014. We are offered premium range of Steel Furnitures. These furniture are made at our unit using premium quality stainless steel, that are obtained from the authentic vendors of the market. These Steel Furnitures are available with us in various sizes, designs and styles. We can also custom design these furniture items as per the clients preferences. We procure these products from one of the leading vendors of the market. These range of steel furniture are available in a wide variety in order to amplify the look of interiors. Further, customers can avail these products according to their specific needs and demands at reasonable prices.
