Manufacturer of bracket mouldings, gadget mouldings and lasket mouldings.

About Us

A reputed and an experienced establishment, Composite Mouldings is engaged in manufacturing various GRP and GRC products for the Building and the Construction industry. A well equipped manufacturing set-up and an in house facility for POP, Clay work, Carpentry / Woodwork, Pattern Making, Mould/Die making, Moulding, Casting, Painting, Leafing, Finishing and other specialities are the company's forte. It also tailor makes products as per Drawings, Images, Specifications, and Sizes provided by Architects, Consultants, and Clients. Besides exclusive products in GRP and GRC other products such as **Columns / Pillars, Capitals, Motifs / Torans, Corbels / Brackets, Pergolas, Wall Claddings, Fins, Cornices, Sculptures, Murals, Statues, Spikes, Pots & Planters, Litter Bins, Garden Lights, Garden Benches, Signages - LED, Waffle Slab Moulds & Other Customs Moulded Products** and the likes are regularly manufactured. The level of excellence and Benchmarks achieved by Composite Mouldings are solely due to its assiduous and highly qualified & technically proficient team of experts.
