About Us

Emerging as TOTAL DIGITAL POST PRODUCTION STUDIO, a strange identity in the year of 2003. today, the organization is providing the unparalleled solutions for India to corporate, NGOs, Advt. agencies, film production houses and other clients and catering their needs for audio-video production. Today, we are recognized as ONE STOP organization. We are proud of the fact that in the present scenario of audio-video production and mass communication our organization is excelling the clients expectations by providing unparalleled concepts-scripts-shooting equipments-artist-directors-post production/editing facilities. We are the successful film-makers.
