Exporter of footwear, shoes, sandals, ladies shoes etc.

About Us

In 2003 Imaans started producing its shoes with a remarkable combination of style, comfort and high quality craftsmanship. The main goal of Imaans is framed on the ideas of mass producing shoes of exceptional quality, competitive price and design innovation in mind. Over the years, Imaans has established a leadership position in the footwear industry having leading tie ups with Ex-Clarks & K Shoes personnel for R&D., Dance Shoe Co., U.K., for manufacturing all types of dancing shoes and leading tanners for making leathers of all types. We mostly use wet blue hides from European Countries. Over the past few years we produce around 1000 pairs of footwear a day, covering virtually every age group . Imaans have put a huge energy in Resource and Development to bring shoes of superlative design, aesthetic appeal also offering the best ever protection for your invaluable foot.
