About Us

Imperial Engineers (Auto) Pvt. Ltd. is family run company, which started its operation in 1966 with vision of becoming a supplier of Quality Machined Parts for the Original Equipment manufacturers. In 1977 with the coming of Majestic Auto Ltd., a unit of Hero Group, there was a strong need of good Quality Parts Suppliers. The Company becomes an Automatic choice for this company due to its commitment towards quality and on time delivery. Since then the company is supplying to this two wheeler company. Today, the company is a leading Sub-Vendor of components for two and four-wheeler OEMS in India like Hero-Honda, Honda, Maruti, TVS, Bajaj, LML, Kirloskar, with the turnover of Rs. 45 million (2004-05) and current year growth in all respect is targeted to be 35% higher than the previous year. The company's products include parts of electricals, Nuts, Washers and Bolts apart from two and four wheeler components & Bright Bars of various sizes & shapes. The company has got ISO 9001:2000 Certification from BVQI, which shows the company's commitment towards quality. S. Satnam Singh who is the Managing Director of the company heads the company. He has a rich experience of more than 44 years and is driving the company with his knowledge and skills. S. Gurvinder Singh (Director), a Mechanical Engineer, who looks after the daily operations of the company ensuring smooth flow of processes, ably supports him. One of the biggest advantages that the company enjoys the wide variety...
