## About Us

IRSPL is a local level banking organization operating in different States of India. IRSPL has its significant marks in all northeast states. It has been created with a view to serve primarily the rural areas of India with basic banking and financial services. However, we have branches set up for urban operations and their area of operation may include urban areas too. The company offered end to end Biometric enabled POS Terminal based & Kiosk based banking solution covering the entire scope of work including initial village level surveys, selection and appointment of Field BC agents, conducting workshops for Bank branch managers for awareness creation, Campaigns and massive enrolment camps with public participation, issuance of bank accounts, Installation and maintenance of Point of Service Terminals and deployment of secure IT network connected to FI application servers, Online settlement switching with Core Banking systems, Call centre and complete operations management of the project. Our continued industry - leading growth is a testament to the certainty our clients experience everyday. With a wealth of experience partnering the world's leading banks and financial institutions, and a comprehensive range of services and solutions, IRSPL is the partner that gets you results: optimized investments, enhanced operational efficiencies, minimized risk and sustained cost leadership. IRSPL provides Comprehensive, custom strategies that align a bank's business needs...
