About Us

Indian Institute Of Cake & Bake Arts (IICBA), Bangalore was set up in 2010 by the Deepak and Shalini . The establishment has been a leading bakery in the city at initiating a new era of professional baking. Indian Institute Of Cake & Bake Arts was incepted due to a culmination of the industry's need for skilled experts in Cake Decoration and the continuance of a legacy. This legacy's flag bearer is **Deepak Nema, Founders & CEO of IICBA** and an expert in the skill of cake decoration. Deepak along with Shalini entered the industry in 2010 with 'Modern Cakes & Confectionaries' and 5 years later 'IICBA' was formed. It is one of Bangalore's first Cake Decoration and Skill Training Institute and a home for all those who want to explore and develop their own style of icing where hands-on work is encouraged.
