About Us

Indian Pearl Company is a Mumbai pearling company, founded in 2009. Our company cultures pearls, manufactures and wholesales products of shell nuclei (for pearl farming), pearl farming tools, shell carvings, and pearls.

We are also wholesaler and distributor for pearls as well as the items listed. Shell nuclei is one of our core production. We supply shell nuclei to pearl farms worldwide, with quality, supply and consistency guaranteed. Furthermore, we create products of shell carvings, designing new products and improving on old one.

We are famous for quality in material and exquisite art work.
