<https://www.indiamart.com/indian-tapex-company/>

Wholesaler of adhesive tapes, foam tapes, industrial tape etc.

## About Us

Indian Tapex is a highly reputed authorized dealer and stockist of superior quality of Electrical and Electronic Equipments (Fans, Auto Switch etc.) & also deals with Cushions for submersible Instruments, Incepted in past few years as a small trading firm by Mr. Vijay Jain, today it has emerged as a leading stockist and authorized dealer of industrial engineers products at reasonable price. Our company is committed to offer quality products, which are manufactured with the application of latest technology and modern machines to ensure the customer satisfaction. Indian Tapex has been offering latest Instruments and Equipments from the best sources in India . In continuation to our efforts to offer total electrical and electronic instruments and equipment needs, we diversified into fabrication of custom built panels, Auto Switches, chargers, special purpose instruments.

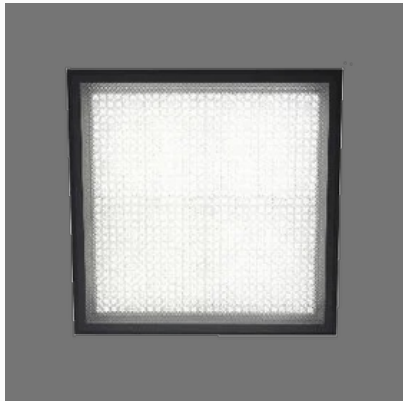

Our company also offers reliable, durable Rubber Tape for water proof cable joint and reliable Capacitors . In our quest to provide meaningful support to complement our sales, we started our service section employing skilled and proficient engineers with a niche for total quality.
