

Indian Engineers

<https://www.indiamart.com/indianengineers-org-306842/>

We are one of the most sought after manufacturers, suppliers and exporters a wide range of Spare Casting, Conveyors and Brackets. Our products are widely used in automotive, construction, steel, pharmaceutical and many other industries.

About Us

Established in the year 2000, we, "Indian Engineers", are engaged in manufacturing, supplying and exporting a comprehensive array of Spare Casting, Conveyors and Brackets. These are widely used in cement, steel, pharmaceutical and various other industries. Further, these are immensely appreciated for their superior functionality, optimum tensile strength, excellent tolerance capacity and durability. Apart from this, we provide services for Fabricator and trade Bucket Elevators to our clients. Leveraging upon our sophisticated infrastructure, we are successfully providing quality products. It is supported by our professionals who are highly dedicated and committed to the objectives of the organization. They also strive hard so that the clients meet the exact requirements. We have a spacious warehouse wherein, we store all our quality products safe and sound. Besides, we also provide different payment terms like D/A, D/P & L/C and accept payment modes like cash, cheque, LC and wire transfer. Besides, our success in the industry is reflected by our list of esteemed clients. Our Mentor, 'Mr. E. Suresh', has rich industry experience and impeccable business acumen which has guided us towards a fruitful endeavor. Under his able management we have accepted many a challenges and have overcome various troughs and crests of the market.
