Indian Pest Control Company

<https://www.indiamart.com/indianpestcontrolcompany/>

We are the fastest growing Manufacturer firm having a presence all across the country due to our developed Inline Drip Pipe and Agriculture Drip Pipe.

About Us

Established in the year 1998, we, **Indian Pest Control Company**, are engaged in providing effective services for pest control. We are one of the leading pest control organizations that are licensed by Government of N.C.T of Delhi and are a member of Pest Management Association. Owing to our total quality proven services, we are accredited. We render our services to our clients based in Noida, Faridabad, Gurgaon, Ghaziabad, Sahibabad, Sikanderabad, Bhiwadi and Alwar.

We have our strong presence around the nation and are widely appreciated for our effective services, which are in line with the customers' requirements. We apply the safest insecticides through our modern equipment for ensuring 100% effectiveness in controlling the pests. This in turn ensures safety of human beings.

We have a team of highly qualified professionals who are trained to be highly customer oriented and have vast industry experience under their belts. Their expertise and practical experience enables them to provide best pest control services at very competitive prices. Some of our renowned and esteemed clients include Idea Cellular, Samsung India, Orient Fan, L & T, Yamaha Motors, Bharati Tele Tech, Polymedicure, Omaxe, India TV, Sunflame and Indian Oil Corporation.

Under the agile leadership of **Mr. Som Prabh**, we have gained a strong foothold in the industry. His sound business acumen combined with the diligent...
