About Us

Established in the year 2006, we, Indo African Corp, have been Trading, Exporting, Manufacturing and Importing an innovative range of Steel Products, Machinery and Plant Equipment. These precisely constructed products are sourced from some of the authorized and trusted vendors, who utilize best-in-class material like iron-ore fines, steam coal, coke and manganese-ore to manufacture each ferrous & non-ferrous product. Furthermore, our specialists help us in finalization of each Plant Machinery & Equipment for Steel Mills, Hot Rolled Plates, Pre Painted Galvanized Coils, Hot Dipped Galvanized Coils, Hot Rolled Coils, MS Channels, Beams, MS Angles, Reinforcement Bars, Wire Rods Coils, Billets, Induction Furnace, Colour Coating Lines (CCL), Pickling Lines, and Cut to length lines, Galvanizing Lines, Paint Lines, Cement Plants and Rolling Mills. We have been engaged in offering plant spares, consumables & all types of industrial products to our clients (mainly in African countries). Our organization has been able to establish a long lasting trade relationship with various manufacturers located in South American, Eastern Europe and China for the procurement of each product. We also provide assistance to our clients in setting up a CRM and galvanized complex. Furthermore, our organization provides machinery for setting up a complete mini steel mill. With the continuous support of our...
