## About Us

Established in the year **2021**, **INDOEXIMP** are leading **Exporter** and **Manufacturer** of **Indian Spices, Fresh Vegetables**, etc.

We are a growing import-export company with many years of experience in the relevant field. Our business has been inspired by the government's initiative and vision towards 'helping the import-export sector' to reach new heights of success and appreciation. While innovation forms the essence of every creation at Indo Eximp, we ensure that we don't compromise on quality. Indo Eximp indeed has come a long way from Spices business to one of the most successful companies of India. We are a brand of goodness and this is the value we express every day and in everything we do. Export is one of the best fields to enter the import-export industry. India is the land of export as we are producing an immense amount of food, vegetables, and spices on our land. Our country is versatile, and now, we even have more tech-focused companies who are willing to set manufacturing units of their brand in India.

Working under the headship of **Mr. Himadritanya Jena (CEO)**, we acquired a reputed stature in the industry.
