- About Us

- Indo World Medical Tourism , an Indian company, having complete service patient management healthcare ONE STOP SOLUTION.

We are into this field since last 4 years from promoting from INDIA to other countries.

Our objective is to serve International patients seeking Quality and Affordable Health care with Accountability.

Facilities we offer includes Expert Licensed Doctors, Accredited Hospitals, Service providers/Medical facilitators, International Organizations and other market leaders worldwide, which make us Asia's best informative medical portal in the web.

Patients , Doctors or Hospital can tap into this knowledge for FREE.

Globally our plan is to add more countries as HELP DESk in order to offer our patients the best assistance in their home country before they do Medical Travel across the World.

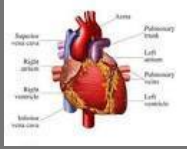

We have Employed people for Patient care, Pre operative personalized counselling to patient and relatives, Educating them about the procedures out come. Post operative rehabilitation, Taking care through their travel from Pick up to drop facilities from their Country to our Air port, Periodic visit by the doctors during their hotel stay by care coordinators.
