About Us

Indus Research Labs was established in the year 2007. We are manufacturer, supplier, exporter and wholesaler of Aloe Vera Powder, Aloe Vera Fibrous Juice, Aloe Vera Clear Juice, Amla Juice, Neem Juice, Berries Plus Juice, Noni Juice, Noni Powder, Noni Extract etc. Our company has successfully capitalized on and tapped the medicinal properties of Aloe Vera and developed products that have for centuries been used for treating skin problems, healing internal and external ailments and to heal wounds. We procure the raw material from certified vendors that ensures manufacturing of safer products. In addition to a well equipped laboratory, we are also backed by a world class infrastructure fitted with modern machinery like juicers, filter press, PH meters, extraction unit, etc.

We have hired talented professionals, food technologists, chemical engineers, who are engaged in efficiently & hygienically producing high-quality juices all around the year. We always appreciate and welcome new talents with excellent skills to manage, operate the business. Backed up by a committed team of research scientists, herbalists, pharmacists, nutrition and food technologists as well as modern technologies, we are moving rapidly towards setting new benchmarks in our discipline. Moreover, the entire working procedures are done under the supervision of experts who make sure that all the stages are perfectly managed to avoid any sought of loop hole.
