About Us

Umesh Trading Company was formed in early Seventy with a vision and mission to serve the best quality Engineering goods & Services in Kutch. It was formed by the energetic team in 1972 having a great enthusiasm under the leadership of Shri Ramavtar Goyal, a 50+ Year of experience to group having a very strong presence in India's Second largest district with rich experience in marketing of Engineering Goods & Gases. Starting with a small vendor of Utensils turning out today by the god grace One of the leaders in Engineering Goods & Gas Industry in whole District. In 1978 we turned out to be lucky one among the five Dealers in Entire Gujarat to be associated Dealer of INOX AIR PRODUCTS. Started with 200 Industrial Cylinders in 1978 Today Group holds around 20000 Cylinders fueling the Entire Kutch District. Group started our own Production of Oxygen Gas in Name of Kutch Gases Pvt Ltd in 2003 with a capacity of producing 200 cubic meter per hour ie approx. 700 Cylinders of oxygen and nitrogen. Slowly and Gradually we got the support from dealers and Industry in Kutch and we entered into the carbon dioxide and Argon production at our Chirai Unit. In 2012 Group hold the First and only Manufacturer FOOD & DRUG COMMISSIONER – GANDHINAGAR LICENCE of Medical Oxygen Gas in Entire Kutch District. While in 2013 Group Got the First Licence from Chief Controller of Explosive Department – Nagpur for...
