About Us

I.S.S has an experience for more than 2 decades in this industry & believes in quality services. We provide armed and unarmed uniformed security guard services on a temporary as well as long-term basis. We offer professional protection, private security guards, and security officers. Our motto is "Navigating Your Security Needs". We accomplish this by providing cost effective security programs that addresses our clients individual security needs. We specialize in providing security guard services, gatehouse attendants, motor patrols, security officers, executive protection and much more. Short-notice security guards are our specialty. We configure the security detail team to meet your specific requirements.

We provide smart uniform and other accessories including seasonal outfits required for efficient performance of the duties to our security & fire personnel. Our Security & fire personnel will be trained, experienced and well disciplined in performing their duties.

We will provide complete safety and security of the material inside the premises allotted to us for watch and ward duties round the clock. We have large number of Security Personal consisting of Ex-servicemen, Ex-home guards and our own trained civilians for various duties to be executed swiftly. Our objective is to provide a team of well-trained personnel for efficient services.
