IndustryforAll is the chance to look good and feel good about it. Designed with simple sophistication and elevated industrial methods, our clothes are made of 100% SUPIMA Cotton and are biodegradable in nature.

About Us

IndustryforAll is your one-stop shop for indulgent shopping. When those restless nights make you want to buy a new t-shirt for work or a new hoodie to go to your friend's party, you can buy stylish, durable, environmentally friendly and locally produced fashion without ever having to feel guilty about it. This is your chance to join a revolution. Not all of us can be hunger strike kind of activists, but what we can be is the united front to stop fast fashion from polluting the planet and selling regurgitated fashion. Learn how superior and zero impact fabrics can change your life for the better and make every swipe of the card a greener one. We are the ultimate self care tool. With our ultra-soft and certified Supima cotton, odorless fabrics and creaseless stitching, we provide your skin with the comfort and silkenness that it deserves. And even when you gift it to someone, they will know they are receiving the gift of love.
