About Us

Incorporated in **2014**, **Infograins Software Solution Private Limited** has set its foot on a fast track to achieving a major growth shortly. Professionalism, Skill, and Expertise are the tools we use to make the web work for your business bringing in maximum return on your investment in shortest possible time. We have been trading with reputed end-users and resellers in the scrap industry many of whom have been in the metal industry.

Meticulous project planning, clock-work precision in execution and qualitative process improvements are our core strengths. Being the most respected organization guided by knowledgeable professionals, we provide this app and website development service. To make sure that our services never suffer a drawback, we have the skills of adroit and experienced professionals who plan and implement the strategies with a marked degree of perfection. Our professionals work in close coordination and follow the customer-centric approach, while working with our patrons, to understand their needs and requirements in the most efficient manner.
Under the valuable supervision of our mentor **Mr. Vipin Kumar Shukla,** we have achieved a repudiated place in the market. His motivations enable us to serve services in the best manner.
