About Us

As a complete Web, Software, Multimedia and Graphic Solutions Company we offer customer-oriented design and services and more importantly, deliver them effectively. Whether you are a small business or a large corporate, IE can help you achieve an online presence that delivers the very best for you and your clients. If your goal is to provide information, products, e-commerce or online services, we can ensure that the visitors to your site enjoy an informative, user-friendly and interactive experience. We utilize the skills of our designers, experienced programmers, search engine specialists and business management experts to design and develop good sensible and user friendly Web Solutions. We provide Software solutions to the professionals from different fields like doctors, advocates, stock brokers, building contractors etc. We expertise in developing Retail solutions, Point of Sale solutions for all kind of merchandises. The Unique Selling Point (USP) of our Software and Web design company from hundreds of others in this business is that 100 % client satisfaction is the highest priority for us. Another remarkable characteristic of our Software and Web design company is that we partner and counsel our clients and help them to succeed both in an offline and online world.
