Ingersoll Rand India Limited

<https://www.indiamart.com/ingersoll-aircompressor/>

Ingersoll Rand India Limited was established in the year 1962. We are leading Manufacturer and Supplier of Reciprocating Air Compressors, Oil-Flooded Rotary Screw Air Compressors, Oil-Free Rotary Screw Air Compressors, etc.

About Us

We heat, cool and automate homes and buildings; enhance commercial and industrial products; keep transported food and perishables safe and fresh; and deliver fun, efficient and reliable transportation solutions. Diversity, engagement and teamwork drive innovation and fuel our passion for exceeding customer expectations. Together with principled leadership and ethical business practices, our high-engagement culture delivers enduring results that lead to a sustainable world.

Advancing the Quality of Life: At Ingersoll Rand, we're committed to meeting the world's growing critical need for clean and comfortable air, safe and fresh food, energy efficiency and sustainable business practices.

We're passionate about building a better future - a world of sustainable progress and enduring results. To deliver on the needs of our customers and the communities where we operate, and to achieve premier performance.

Build a Winning Culture: Build a winning culture by living our values, creating a progressive, diverse and inclusive environment, enabling innovation and creativity, and the development of customer solutions that engage all employees in Ingersoll Rand's mission.

Grow Strategically: Grow strategically through technology and innovation, sales excellence and product management by delivering sustainable solutions and services addressing unmet needs for comfort and efficiency across the...
