## About Us

Innovation Group is a global provider of business process services and software solutions to the insurance, fleet, automotive and property industries. We enable clients to unlock the potential of increased collaboration, outsourcing and strategic partnerships, helping to reduce costs and risks, improve efficiency, increase customer satisfaction and achieve growth. With a commitment to flexibility and innovation we are able to provide tailored solutions that can meet the demands of today and adapt more rapidly to the needs of tomorrow. At a glance Incorporated in the UK in 1996, we're a publicly listed company with annual revenues in 2011 of £176m. We employ over 2,400 staff in the 13 largest insurance markets spanning North America, Europe, Asia, South Africa and Australia. We're the only solution provider supporting the complete insurance value chain from quote and inception through First Notice of Loss, claims and repair management to settlement and subsequent subrogation processes.

Our customer base is broad, made up of over 800 clients. They include 75% of the Top 20 global insurance markets and 80% of the Top 20 global insurance companies, the majority of the world's Top 10 fleet and lease management companies and regional leaders in financial services. Our clients are using our solutions to process over five million claims and incidents per year.
