Innovative Designes

<https://www.indiamart.com/innovativedesigns/>

We are the leading name in the industry, reckoned for manufacturing a precisely designed array of Residential Furniture, Modular Kitchen Furniture, Office Workstations and also we provide the services of Wooden Furniture Work.

About Us

Innovative Designs is a sole proprietorship company, established in the year **2010** with a vision to meet the exact requirements of clients. The company is involved in **manufacturing** a comprehensive range of **Residential Furniture, Modular Kitchen Furniture, Office Workstations**. The distinctive and creative designs of our range are highly acknowledged among the clients and in turns we are getting repeated orders from them. To manufacture these products, our experts use high quality raw material that makes our range highly efficient and widely acceptable by the clients. Besides, clients appreciate our products for their beautiful designs, premium quality, aesthetic appeal, fine finish and sturdy construction. With the help of our sophisticated machinery and creative personnel, we are ably supplying products as per the growing clients' specifications. Our operations are carried out under the astute guiding principles of **Mr. Mahesh N.N**, the honorable proprietor of our company. His sharp business insight, vast industrial experience and visual approach have helped us in establishing a desirable position in the industry
